NONFICTION

Brown, Don

The Great American Dust Bowl

A speck of dust is a tiny thing. In fact, five of them could fit into the period at the end of this sentence. On a clear, warm Sunday, April 14, 1935, a wild wind whipped up millions upon millions of these specks of dust to form a duster, a savage storm, on America's high southern plains. The sky turned black, sand-filled winds scoured the paint off houses and cars, trains derailed, and electricity coursed through the air. Sand and dirt fell like snow, people got lost in the gloom and suffocated . . . and that was just the beginning.(Publisher)

Murphy, Jim

An American Plague

Philadelphia, 1793. The nation's capital and the largest city in North America is devastated by an apparently incurable disease, cause unknown. In a powerful, dramatic narrative drawing on first-hand accounts, critically acclaimed author Jim Murphy describes the illness known as yellow fever and the toll it took on the city's residents, relating the epidemic to the major social and political events of the day and to 18th-century medical beliefs and practices. The search for the fever's causes and cure, not found for more than a century afterward, provides a suspenseful counterpoint to this riveting true story of a city under siege. (Publisher)
