Kindergarten Program: All-day program five-days a week for children who are 5 years old by September 1

Our Curriculum: Language arts, literacy, mathematics, scientific thinking skills, social studies, creative arts, motor development, and faith formation

Our Focus: The Whole Child - Concentrating on areas of social, emotional, cognitive, and spiritual development along with high standards of academic achievement

Our Programs Provide:

- A safe, caring environment that encourages each child to grow in confidence as a learner
- A structured developmentally appropriate curriculum
- A positive approach to learning through play as well as hands on experience
- A loving Christian atmosphere that meets the physical, emotional, social and intellectual needs

Come and see what Seton has to offer!

Where faith meets excellence.
