

SETON SCHOOL: PARISH COMMITMENT POLICY

Families that are members of the three Moline parishes, Christ the King, Sacred Heart, St. Mary and St. Maria Goretti in Coal Valley qualify for the ***Seton Parish Affiliated Tuition Rate***. These families are required to fulfill a year round, weekly financial commitment to their parish.

The four pastors determine the parish commitment amount annually.

It is the responsibility of a Seton family to contact their respective pastor if this commitment presents undue financial hardship. The pastor and family may then determine a reasonable financial commitment.

This commitment must be kept current in order to assure a student's continued enrollment at Seton School during the school year or for re-admission the following school under the "Parish Affiliated" tuition rate.

Parish commitments are monitored at the individual parishes.
