Dear Friends of Seton,

Thank you so much for being here this evening for our Fall Festival! It is only through the continued generosity and support of our Seton families and community that Seton Catholic School is able to provide an excellent educational experience for all our students. We are blessed to have a dedicated staff that works together with the administration in partnership with parents to build a solid foundation that develops each student to his or her fullest potential. Without the support Seton receives, this would not be possible.

On behalf of our students, faculty and staff, we thank you!

THE SETON ART GALLERY

(Created by Seton students, parents and staff, especially for you!)

Mrs. Bush's Preschool has made a map of the world on a gallery wrapped canvas, with a banner listing where all the preschoolers would love to visit!

Mrs. Zmuda's Pre-Kindergarten is teaching how to say hello in different languages. Come find out on our fabulous art work at the Fall Fundraiser!

Miss Adams' Kindergarten class asks, "Mirror mirror on the wall who's the most adventurous class of them all?" Her class has decorated a full length mirror, with a variety of colors and painting techniques, perfect for any room!

Mrs. Bowker's Kindergartener's hearts, hands, and doors to their future make storage or decoration memorable and cute.

"Adventure Awaits" in ***Mrs. Tittle's Kindergarten*** class and beyond :) Her class has decorated a reclaimed wooden board with personally embroidered arrow art and a hand-painted "Adventure Awaits" saying by KT students!

First graders in Mrs. Fratzke's, Miss Frutiger's and Mrs. Plant's rooms all want to remind everyone, "Adventure is out there!" with their painted canvas inspired by the movie Up. The balloons are made from first grader thumbprints so each one is unique. Brighten up any room in your house with this one-of-a-kind piece. Adventure journal included!

Mrs. Ivory's and Mrs. Morrisey's 2nd grade Picassos have been using a variety of color and painting techniques to create a beautiful canvas representing the growth and change happening this school year.

Mrs. Benfield's 3rd graders are embarking on an adventure to Greece! They have created a colorful paper garland of favorite fruits and flowers of Greece to decorate a weeping fig tree for your home. The high bidder will also enjoy Greek pastries, candy, Greek-style soup, and a traditional chicken recipe to try at home. We hope you enjoy a taste of Greece!

Mrs. Schmitt's 3rd grade students will share a message of kindness with the world on a wooden pallet.

Mrs. Taylor's and Mrs. Wolfe's 4 graders are looking forward to celebrating the magic of Christmas with their unique tomato cage art projects. 4T and 4W have created a dazzling Christmas tree to add to the spirit and joy of your holiday season. Each student assisted in the trimming of these festive trees.

Mrs. Melin & Mrs. VanDerGinst's 5th graders have created two unique 11x14 prints on canvas. The students from each class have their hands outstretched surrounding an inspiring travel quote.

Travelers are always happy to hear the word "Welcome." What better way to say "WELCOME" than with a beautiful grapevine wreath. Decorate your entryway with a seasonal wreath created by Mrs. Ahlgren, Mrs. Kelly and Mrs. Tracey's sixth graders. Whether it is Winter, Summer, or you are a dog lover, you will want one of these wreaths to welcome your guests from near and far.

Angels are everywhere! These rustic, hand-crafted angels will delight everyone whether in a garden, a foyer, or on a mantle. The Seton 7th graders in Mrs. DeRoo's and Mrs. Eberhardt's classes believe in the spirit and protection of our angels!

8th grade students in Mrs. Hulke's, Mr. Plant's, and Mrs. Voss's classes have helped artistically decorate a wooden handcrafted bags/corn-hole set crafted by the very talented Mr. Mike Voss. In this set you will see the two wooden boards divided into sections. Each individual 8th grade student added their own artistic flare to their specific section. The set has been sealed and is ready to be played on with the included red and blue (Seton colored) regulation bags!

The 8th grade students have also created designs on "CD's" in art class, to be used as hanging decorations or even coasters. Many materials, supplies and production methods were put into creating these unique and original products under the guidance of Ms. Karen Blomme, Art Teacher.

The CDs are \$5.00 each.
