

# LET'S NETWORK!

– Seton Family Business Network –

*Need your house painted? Need a new car? Need your luncheon catered?*

**Chances are there's a Seton parent who owns a business that can provide those goods or services... And now there's a way to find them!**

The Seton Family Business Network (SFBN) will be a way for Seton families to support one another. Seton business owners will be able to market their products and/or services, and Seton "consumers" will have an easy way to find what they need while choosing to patronize a fellow Seton family's business. Think of it as a Seton Chamber of Commerce!

The SFBN will be a resource available online at [www.SetonSchool.com](http://www.SetonSchool.com). **This program is completely voluntary. Only businesses owned by parents or legal guardians of Seton Catholic School students may be listed.** This program is not intended to endorse or ensure any business transactions, it's simply a way for Seton families to connect and support each other, if they choose.

**If you are a Seton business owner, and would like to list your company on the SFBN, please fill out the information below and return it to the elementary or middle school office. PLEASE PRINT CLEARLY!** You may also email your information to Melissa Garcia at [GarciaGraphics@sbcglobal.net](mailto:GarciaGraphics@sbcglobal.net).
