

SETON SCHOOL: PARISH COMMITMENT POLICY

It is the responsibility of all Seton Families who are members of the Moline parishes: Christ the King, St. Mary's, Sacred Heart, to fulfill the individual parish commitment portion of the Fee Schedule (Section E of School Fee Schedule), in order to pay the "parish affiliated tuition rate".

It is required that each family fulfill the parish commitment that is levied annually. This commitment is to be paid throughout the entire year (52 weeks - July 1 through June 30). It is paid directly to your parish in your church envelope.

The amount will be reviewed and set annually by the Seton Pastors' Board.

It is the responsibility of the Seton family to contact their respective pastor if this commitment poses an undue financial hardship. The pastor and Seton family then decide upon a financial commitment.

This commitment must be kept current in order to assure a student's continued enrollment at Seton during the school year or readmission the following year under the "parish affiliated tuition rate."

Parish commitments will be monitored at the parish level.
