Seton Transfer Grants

Seton proudly provides academic excellence to its students from preschool through 8th grade. Not only do our teachers at Seton Catholic School provide the highest level of commitment to a child’s educational growth, our staff strongly believes that every facet of life is important: spiritual, physical, intellectual and emotional. Our students are encouraged to learn and grow in a safe and caring environment in which an emphasis on Christian values is developed right along side a solid foundation in the core academics.

****NEW FOR 2024-2025: We are excited to offer Seton Transfer Grants, which will help to make an education at Seton achievable for even more families!**

SETON TRANSFER GRANT SCHEDULE	Number of Students	1st Year Grant	2nd Year Grant
